<b>Services Provided</b>	Pre-commencement report, cost planning and post contract cost control.
<b>Architect</b>	Jack Elia
<b>Head Contractors</b>	Cazac Constructions Pty Ltd

### Overview

The project is located at 2-6 Government Road in Nelson Bay. The site is a prime location and within one kilometre of the beach, local community facilities are within close proximity. The development will comprise earthworks, the design and construction of a 16 prestige unit development, basement car parking and associated site works and landscaping.
