

Project Profile

David Jones Department Store | Sydney, NSW

Client	David Jones Department Store
Client Sector	Retail
Project Cost	\$140 Million
Services Provided	Cost Planning, Bill of Quantities & Post Contract Services
Architect	Crone Nation
Head Contractors	Fletcher Projects

Overview

The refurbishment of the two David Jones flagship Department stores located in Elizabeth and Market Streets, Sydney. The works include the formation of new central voids through both buildings and the replacement of 32 escalators. The refurbishment of the existing heritage façade and awnings, the upgrade of services, the fit out of all retail floors, with the refurbishment of back of house areas. It is planned that the works will be staged over five years with David Jones continued occupation during construction.
