Client	Lascorp Development Group
Client Sector	Retail
Project Cost	\$3,000,000
Services Provided	Financial Institution Audit Estimate with full post contract services.
Architect	EJE Architecture
Head Contractors	SJ Higgins

Overview

This regional shopping centre is north of the Newcastle area servicing local community and service industries. A total refurbishment of the centre was undertaken to incorporate both an extension to the existing building to provide a new mini major, GoLo Stores, and upgrade the mall areas to provide a re-coordinated entrance and better access to the specialty shops. Externally the centre was landscaped with an addition of a two-storey car park.
